Product Features >>

- Special Design**
 The foldable aluminum structure is light, convenient, easy to carry and store.
- Smooth Surface**
 When the large sized screen is placed on the frame, it is secured in all 4 corners to keep the screen taut at all times.
- Convenient and Versatile**
 The packaging is easy and the product is versatile. No tools are needed and all pieces come with their own turn knobs. Set up (including the 200" and up) only takes minutes. Screen and stand are protected in a durable transporting case made with LLDPE. For sizes 200 and under, we store the screen with two-layers case.
- Location**
 It is suited for various venues such as exhibitions, concerts, banquets, conferences, and etc.
